

Western Forest Insect Work Conference

2023 Theme: Resilience and Restoration: Post-Disturbance and Post-Pandemic

Come join us in Seattle,
Washington for the fully in-
person 2023 Western Forest
Insect Work Conference,
April 24-28, 2023

Included in the meeting is a half-day field trip to the [Washington Park Arboretum](#). Learn about its role in invasive species detection, research and outreach, and efforts to make green spaces more inclusive.

Make your reservations (\$176/night + taxes) now at the Kimpton Hotel Monaco, located in the heart of the downtown Seattle

By phone:

Call 1-800-KIMPTON and use group code “Western Forest Insect Work Conference”
