

# Bibliography

## Documents from the USFS Alaska Region, 1919-2001

View a publication that covers 799 published and unpublished references dealing with [forest insects and diseases in Alaska](#). This bibliography was compiled by Ken Zogas and Edward H. Holsten (138 pages, 716 K).

## Historical Articles by M.M. Furniss and B.E. Wickman

**Ciesla, W. M. and M. M. Furniss. 1975.** Idaho's haunted forest. *Amer. Forests* 81(8):32-5.

**Furniss, M. M. 2014.** The Douglas-fir beetle in western forests — a historical perspective. *Amer. Entomol.* Part 1. 60 (2): 84 - 96. Part 2. 60 (3): 166-181.

**Furniss, M. M. 2011.** Beginnings of forest entomology in Alaska: A spruce beetle outbreak on Kosciusko Island sets the stage, 1946. *SourDough Notes*, Fall 2011 pp. 10-11. Regional eMagazine. Alaska Region Public Affairs and Communications Office. Forest Service Region 10, Juneau, Alaska. <http://www.fs.usda.gov/r10>

**Furniss, M. M. 2010.** John Merton Aldrich (1866-1934) - A forest entomologist's view of Idaho's renowned fly taxonomist. *Latah Legacy* 38(1):18-23.

**Furniss, M. M. 2010.** Beginnings of American forest entomology: The role of Andrew Delmar Hopkins (1857-1948). *Amer. Entomol.* 56:78-87.

**Furniss, M. M. 2007B.** Forest entomology in Yosemite National Park: Creation of the Tenaya Ghost Forest and glimpses of forest renewal, 1903-1984. *Amer. Entomol.* 53(4):202-207.

**Furniss, M. M. 2007A.** [A history of forest entomology in the Intermountain and Rocky Mountain areas, 1901 to 1982](#). USDA Forest Service, Gen. Tech. Rep. RMRS-GTR-195. Fort Collins, CO. 40 p.

**Furniss, M. M. 2006.** Reorganization of forest pest control in Japan. An account of Robert Livingston Furniss' socio-entomological experiences during assignments in 1949 and 1950. *Amer. Entomol.* 52(2): 77-83.

**Furniss, M. M. 2004.** 1947 Douglas fir tussock moth outbreak in northern Idaho: Target of the largest aerial spraying project in western forests. Latah County Historical Soc., Moscow, Idaho. *Latah Legacy.* 33(1): 1-8.

**Furniss, M. M. 2003.** Forest entomology in the northern Rocky Mountains: 1909-1917, as reflected in the correspondence between Josef Brunner and A. D. Hopkins. *Amer. Entomol.* 49: 102-111.

**Furniss, M. M. 2000.** Walter J. Buckhorn (1899-1968)-Legendary forest entomologist, not of the classroom kind. *Amer. Entomol.* 46:133-140.

**Furniss, M. M. 1997.** American forest entomology comes on stage. Bark beetle depredations in the Black Hills Forest Reserve, ca 1897-1907. *Amer. Entomol.* 4:40-47.

**Furniss, M. M., and R. Renkin. 2003.** Forest entomology in Yellowstone National Park - 1922-1957. A time of discovery and learning to let live. *Amer. Entomol.* 49: 198-209.

**Furniss, M. M., and B. E. Wickman. 1998.** Photographic images and history of forest insect investigations on the Pacific slope, ca. 1910-1953. Part 1. *Amer. Entomol.* 44:206-216.

**Kegley, S. J., and M. M. Furniss. 2013.** The Remarkable Characters of the Coeur d'Alene Forest Insect Field Station 1919-1955. 64th Western Forest Insect Work Conference, Coeur d'Alene, ID, March 4-7, 2013. p 87-117.

**Wickman, B. E. 2005.** *Harry E. Burke and John M. Miller, pioneers in western forest entomology.* USDA For. Serv. Gen. Tech. Rep. PNW-GTR-638. Portland, OR. 163 p.

**Wickman, B. E. 1990.** The battle against bark beetles in Crater Lake National Park: 1925-34. USDA For. Serv. Gen. Tech. Rep. PNW GTR-259.

**Wickman, B. E. 1987.** Early forest insect research in the Pacific Northwest: Ashland Field Station, 1912-1925. *Oregon Historical Quarterly* 88(1): 27-48.

**Wickman, B. E., T.R. Torgersen, and M.M. Furniss. 2002.** Photographic images and history of forest investigations on the Pacific slope, ca. 1910-1953. Part 2. Oregon and Washington. *Amer. Entomol.* 48: 178-185.
